Media Advisory – Schedule – Registration

Dear Media Representative:

Acura Key West 2008 is shaping up to be another premier event in the world of sailboat racing. Entries and class projections are strong. Last year's fleet of 260 boats and some 3,000 sailors from around the world and across the United States provided great competition on the water and great stories and visuals for all.

This January we begin the third decade of "Key West Race Week". I hope you will join us.

Whether you will be on site, or are covering the event from your home base, we hope you will register in advance and update our records. You may register using the attached form.

The following is a one-page summary of information to help you plan your coverage.

Finally, need your articles and web links! As you know, media coverage greatly enhances the exposure and the value of the event for participants, sponsors, and all interested parties. Premiere Racing would very much appreciate your including us in your distribution – whether it is in print or in cyberspace. Any photograph or mention of Acura Key West 2008 is of great interest to us. Thank you in advance for sending us either the actual publications or notification for our follow-up.
